

FISCAL NOTE

HB 2338 - SB 2653

March 31, 2000

SUMMARY OF BILL: Extends the requirement for reporting on cancer patients to additional entities including cancer treatment centers, ambulatory surgical centers, radiation and chemotherapy centers and certain physicians. Allows the Department of Health to enter into agreements to exchange data with other states.

ESTIMATED FISCAL IMPACT:

**Increase State Expenditures - \$71,200 Recurring
\$12,200 One-Time**

Assumes a need for two positions and associated expenses in the Department of Health to process and maintain additional data.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

James A. Davenport, Executive Director
